THE TIMES.

WEDNESDAY, AUG. 28, 1907.

FARMVILLE.

Some of the houses in this town have been so crowded with visitor during the summer that the house keepers are enjoying the though that the emptying process will soon begin. Evidently Farmville i growing in favor as a summer re sort and with it's location, lithi water and other advantages it de serves to attract widespread atten tion. The more I know of othe sections of the State the more am satisfied that the Southside is th home of physical comfort. Ou tables are much better supplied our nights are never uncomfortab ly warm, we have'nt the mosquito the water is soft and good every where and as far as our people,- well we will let others sing their praises.

The melon failure has produced confusion in the ranks of the brothers in black. The happies human being I ever saw was old Goliah, many years dead, with water melon all his own.

How we do miss the peaches. Can we not introduce the use of the canvas for the peach orchard as well as the tobacco beds? We used to find them in the fence corners and along the roadside, and and they were good. What's wrong with natures? Or is the fault with man?

That drinking fountain for Main Street is yet 'non est,' but the dispensary is doing business at the old stand."

Editor Hart carries his head somewhat higher since Supervisor's honors rest on him. He has'nt announced, however, that he would stand for the legislature next time.

The Presbyterians have been greatly pleased with the preaching of Rev. Mr. Hatcher, pastor of the Methodist church, during the month of August and while their pastor was on his vacation.

I suppose before the gates close a large majority of the people of Farmville will have been to the Exposition.

Mrs. Miller, of Pennsylvania, is a guest at Mrs. Berkley's.

Mrs. Dr. Crute has been visiting friends in Charlotte.

Miss Frank Jones, who has been with friends in Smithfield is at home at Hampden Sidney again.

At the recent meeting of the Jewelers of the State Mayor Blanton was made 1st Vice-president of the body. He is an unusually good oculist as well as expert jeweler.

The Hampden Sidney boys and the Normalites will soon be reporting for duty. This means another year gone, and to some of us that means much.

Miss Stone, who has been writing to the Roanoke Times from here, has been saying some handsome things of Farmville.

Captain Hunt has been so importuned not to resign from the command of the guards that the hope is entertained that he will not do so.

The new conservatory of music is opened for scholars.

Prof. G. W. Walker, of Blacksburg, will make the opening address at Hampden Sidney this year.

No pastor has yet been selected for College church.

Farmville will be crowded with amusements for the coming season.

But tne new railroads are "a-coming." It must be interesting to some people just to project new enterprises and leave them in the air after the "hot air" has been expended.

The old-time farmers picnic was a great success.

Tobacco still ,demands first claims on our cash and is sure to get it.

A winsome weed is she.

The Methodists are hoping to dedicate their new church building in the near future and when that is done they will have one of the most attractive houses of worship in the Commonwealth and with the Normal contingent the congregation will be one of the most interesting.

Rev. Mr. Hatcher preached a noble sermon on last Sunday, his text being, "Keep thy heart for out of it are the issues of life."

Judge Landon C. Flourney, of Kentucky, has been a visitor in the home of Mrs. J. R. Fitzgerald, his sister. His father, the late W. C. Flourney, was a lawyer of commanding ability.

Misses Pattie and Maggie Watkins, daughters of the late Judge F. W. Watkins, are visiting friends in Farmville and surrounding country.

Mr. C. D. McKinney, a son of the late S. B., McKinney and now a prominent attorney at the Atlanta bar, though still a young man, has at lost his second wife, and the sad news stirs the sympathies of is large circle of Virginia friends.

Mrs. Alvey and daughters, who have been spending the summer in Farmville, have returned to their home in Richmond.

Mrs. Emily Venable is now at Mrs. Wade's and her home is occupied by Mr. W. P. Richardson and family.

Capt. Wingo, of the Tidewater & Western has gone South in search of health.

Rev. Fugate, the new Baptist minister, has arrived and is on duty. He has had cordial welcome and has made happy responses.

The preachers of Farmville are well cared or and no doubt appreciate it. They must, too, enjoy preaching to such congregations as they have. This is a church-going community and Christian unity is pronounced.

Miss Maggie Watkins will have charge of the Normal infirmary during the coming session. She has made a brilliant record as professional nurse, and will be warmly welcomed back to the scenes of her childhood.

It is to be regretted that the health of Miss Marie Louise Whiting is such that she will not be able to resume her duties as teacher in the school before the beginning of the February term. Virginia has no more accomplished daughter and no more gifted teacher. An hour spent in her class room is an hour well spent.

Chamberlain's Colic, Cholera and Diarrhoea Remedy, Better Than Three Doctors

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours it began to improve. Today he is as healthy a child as parents could wish for."—Mrs. B. J. Johnston, Linton, Miss.

A Mr. Crabtree is to be elected Mayor of Chattanooga. This is better than a Mr. Plumtree for the same place.

Thousands Have Kidney Trouble and Never Suspect it.

Prevalency of Kidney Diseases.

Most people do not realize the alarming increase and remarkable prevalency of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, *who confound symptoms of kidney trouble with doctoring the effects*, while the *original disease* undermines the system.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N.Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N.Y.

OLD BUCKINGHAM.

THE GRAND OLD COUNTY PHOTOGRAPHED.

Many Interesting Reports Made of Her People.

Announcement.

To the Voters of Buckingham:

After being requested by many of our Democratic friends in Buckingham County, we now announce ourselves as the Independent candidates for the office of Sheriff of Buckingham County. We appreciate the kindness of our Republican friends in endorsing our candidacy and they have our thanks, but we want it distinctly understood that we are the Independent candidates for this office and have been all the time, and have been endorsed by our Republican friends. Knowing the duties of this office we feel that we can manage the affairs of the office with due credit to ourselves. Thanking you for your consideration expressed heretofore and bespeaking your further consideration, we are, Yours faithfully,

C. D. McCRAW
P. A. GRIGG.

Announcement.

My fellow-citizens of the County of Buckingham:

A meeting of representative Republicans of our County, while aware that I was no longer actively engaged in politics, nor desiring any political office, paid me the highest compliment some time ago of bringing me forward as their candidate for the office of Attorney for the Commonwealth of this County at the election to be held in November next. Those citizens did not appoint a committee to advise me of their wishes. I take it therefore, to be their intention, thereby, rather to emphasize the right of the people, to require the public service of individuals, than to give any special political preference, to the selection of county officers. I will however say, just here, that the Republicans of Buckingham have always borne themselves in a conservative and patriotic way, that ought to command the confidence and good will of the Buckingham people. Mr. Jefferson, so often quoted as the Father of Democracy, utterly abhorred a self-perpetuating class of office holders; forgetful of the hardships and toils of the masses, and so fortified by rim rule, or otherwise, as to force the people powerless to decide for themselves who they want to serve them. I have on several occasions insisted that the safety of our free Government must rest upon the corps of independent manhood, preserved among the people. We should have preferences as to public measures, and in advancing them, properly affiliated with party organizations. To give loyal, rational, and manly support to a party, in proper. To become a party slave—a tool, a machine,—under the domination of a party boss, is death to the Republic. Appreciating the confidence of my friends, political and otherwise, hitherto expressed, my name is at your service for the office named.

Your obedient servant.

ROBERT T. HUBARD.

Announcement.

To the People of the 18th Senatorial District:

The Republicans of this District have done me the honor to nominate me for the State Senate. I appeal to you for your support at the general election, Tuesday, Nov. 5th, 1907. I promise you if I am elected that I will devote my best efforts to secure such legislation as will promote the welfare of all the people of the District and State.

Respectfully,

W. C. FRANKLIN.

Announcement.

I am a candidate for the position of Treasurer of Buckingham County at the election of Nov. 5th, 1907. If elected, there will be associated with me in the conduct of the office Mr. A. C. Garnett, Jr., who is well known to the people of the County. Together we solicit your support.

Well Now! Some one went to Church here on Sunday and the cologne they used was so strong accentad that it made one of my lady friends so sick she had to leave church. (Next.)

Miss Rebecca Fitzgerald gave a dancing party on the night of the 30th, entertaining a number of her friends.

Professor Blankinship has come from his home near Lynchburg and will soon take charge of the High School here.

Mr. Province, who has charge of the Circuit (Methodist), was married at Bethel Church on the 3rd inst. to Miss Mary Morgan. We offer our congratulations in advance and welcome the bride in our midst.

The great event of the week was the meeting held at Dillwyn on the 30th in the interest of the tobacco growers. Col. Fort, of Tennessee, and Congressman Flood each made an address. Col. Fort comes from the section where the Dark Tobacco Association has done so much to better the prices for tobacco; in this Association are 23 counties of Tennessee and Kentucky, and he says the Association got an average price of $10 for the last crop of tobacco. Mr. Flood declared that he was heartily in for helping the tobacco growers in their efforts to better the prices for their crop, and said if the farmers showed as much zeal, energy and enterprise in this movement as James B. Duke has done in organizing the great tobacco trust, they were sure to win in the end. A Committee of three from each precinct in this county to meet at Dillwyn on the 4th Saturday in September to arrange for the details of an organization in Buckingham. On this Committee are :

For Gold Hill—B. F. Nuckols, Julian Smith and John Mosley.

For New Canton—R. E Coles, G M. Snoddy and A. J. Terrill.

For Dariens—T. F Norvel, T. F. Turner and P. B. Guerrant.

For Well Water—A. P. Maxey, S. L. Sewellen and C. L. Davis.

For Wright's—W. R. Moore, Allie Wood and John A. Twyman.

Francisco—W. E. McCraw, R. B. Johns and Leon Gills.

Curdsville —W. E. Pasley, M. J. Shepherd and M. J. Cox.

Red Mills—B. Shepard, C. H. Agee and T. W. Elam.

Dillwyn—Wm. R. Silvey, Forest Guthrie and John Charleton.

Maysville—J. T. Oliver, Wm. A. Fones and E. M. Duncom.

The many friends of Mr. J. Taylor Morris will be sorry to hear of his accident. He had bought a lot of cattle from the Algoma farm and had one tied by the head when it ran at him goring him with its horns and when taken away he was unconscious. We hope it may not be serious. Mr. Morris is very popular in Buckingham.

The good roads committee which met here on the 26th decided to recommend that the county borrow the money to put the roads in order, and that a man be appointed to have in charge the working of all the roads in the County; reliable men to be employed to carry on the work in each district under supervision of this Superintendent or Engineer as the case may be.

Mr. and Mrs. Fawcett have a little boy baby to gladden their home.

Mr. James Forbes, of Anderson-ville, has purchased the brick house that was owned by Mrs. Pratt, and it is reported they will move here this fall. The family who had rented this house are said to have rented a house from Mrs. R. H. Spencer.

INTERESTING STORIES ABOUT HOME FOLKS.

Our Correspondents relate the News of the County.

Pamplin City.

We noticed with no little amusement your local from Pamplin last week in which the writer gives most grafic description of a catastrophe narrowly averted at the Baptis Church here during services on Sunday night. We beg to correct this mistaken report. The gallery has not moved from its original position. In fact we suppose there is not a more substantial structure of its kind in the County. It could not possibly be moved by the weight of all the people you could pack in to it. We suppose the story grew out of the fact that the back of one of the benches was broken off, and the crash may have caused a little commotion among those seated on this bench. The gallery did not move, there was no panic, no danger in fact only very few in the gallery noticed any commotion at all. The writer was seated in the auditorium below and heard nothing of the incident at all. It is due your paper as well as the congregation and church that such an erroneous report be corrected.

Farmers' Warehouse opens this week for the sale of primings. There will be a full corps of buyers and the prices will be satisfactory.

Foundations have been laid for the new warehouse and the management expects to be open for business about October 10th. The warehouses well equipped will offer to the farmers ample and convenient facilities for handling their tobacco this year.

Tobacco cutting has been commenced by many of our best farmers. The crop is much better than we had expected earlier in the season, in fact it will be above the average.

Mr. J. Jay Cook, pastor of the Baptist Church here, has just closed a meeting at Hitburg in which there were a large number of conversions and over twenty additions to the church. Mr. Cook has made a host of friends among us. No more earnest, consecrated and forceful pastor and preacher has ever been among us, and it is with the deepest sense of loss that we part with him. He will preach his last sermon here on the 3rd Sunday morning, after which he will leave for a special course at Crozer Seminary in Pennsylvania. Will bid him God speed in his work and he speak for the institution a valuable addition to its student body.

Rev. Mr. Reese preached from Baptist Church pulpit, both morning and night, last Sunday. His sermons were most powerful presentations of the simple old fashion Gospel and all we e pleased with him.
